An interactive 2 days

ACI's meetings offer the perfect opportunity to discover the latest updates and to discuss your own ship management challenges and solutions with your peers through an interactive and informative 2 day programme.

Hear from an outstanding line-up of the industry's leading executives and key decision-makers.

Network informally with a relatively small, targeted group of senior-level decision-makers from the maritime industry.

Learn more about your peers' research, network with key industry leaders and your industry colleagues.

Discuss the latest challenges and developments in this rapidly changing and growing sector of the industry.

Participate in roundtable sessions – giving you the chance to discuss the latest issues with your colleagues – and the speakers - in an open, informal and intimate setting.

Who will attend?

All ACI's events attract a targeted group of senior level researchers and decision-makers from industry.

Our meetings are strictly end-user focussed. Only a select group of companies are invited to sponsor the event – to ensure the emphasis is on the industry participants, and making sure our delegates have a valuable and positive experience.

Delegates will be drawn from ship owner and ship operating companies and include CEOs, Presidents, VPs, MDs and Directors.
